Race Report:

Well, we had a record year at the Red Bridge Ramble. Eighty Starters braved a cold morning to run on the beautiful trails and go splashing through the multiple water crossings.

The top 3 spots were claimed by speedy young runners, led by Justin Andrews of Kansas City. Angela Ballard was first female, with Emily Horn and Sarah Sinning coming in 2nd and 3rd females, respectively. Mike Swords was first Masters Male, and Deb Johnson was 1st Masters Female. Israel Gulley (8 years old), was our youngest trailrunner to date, and Lou Joline claimed the "Oldest Root-Tripper" award.

Thanks to all of the volunteers, the Kansas City Trail Nerds and Vasque Shoes for making this a memorable race.

Dick Ross (www.seekcrun.com) took some great photos of the event [HERE](#) .

Remember, we have many more trail races in store for you this year.

This run is a Family Event!
