Dear Ben,

I wanted to thank you for the extremely generous \$1,000 donation to the Clinton Lake trails. There are several projects which will now be feasible thanks to your continuing dedication to the trails.

Greg had recently suggested adding some structures to the first 2 miles where it is chronically wet due to seeps. I had also been planning a bridge or two for a time when funds and volunteers were available. Thanks to your support these project plans can become a reality.

There are about 40,000 annual trail users at Clinton Lake who will benefit from your support of the trails. Please pass along my sincere appreciation to your fellow runners.

Sincerely,

Michael Goodwin
