

## **2008 Pod Trod (short) Race Reports**

### **From Nick2:**

Gary,

The Pod Trod was a really great race. I had a ton of fun! What a wonderful idea, I hope that we do it happens again next year! Thanks!

### **From Bobbi Aschwanden Thomas:**

Although I did not run this race - It was a blast! I thoroughly enjoyed the look on people's faces as they were looking at the sky trying to figure out where their directions were sending them! I hope runners had as much as I did taking pictures.

### **From James Barker:**

Gary,

Thanks for all your work (and all you other volunteers). I had a blast.

### **From Debbie Webster:**

Another fabulous race Gary, Kyle, and all the volunteers. You could tell the runners were having fun because I saw LOTS of smiles as they finished. I would have to agree it was a blast and I didn't even run. I love spending time with my 2nd family the Trail Nerds. Can't wait to see the photos bet they are GREAT!
