

WyCo Trails Xtreme Makeover

Organized by the Trail Nerds Association in conjunction
with Wyandotte County Parks & Recreation Department

This is an American Hiking Society -
National Trails Day[®] event **June 6, 2009**
from 8:00am to 3:00pm

- Wyandotte County Lake Park, Shelter 11 (east side of dam)
- Participants registered by May 15th will receive a commemorative t-shirt
- Groups are welcome. Youth groups must be attended with appropriate ratio of adults to children.
- Lunch will be provided
- Door prizes compliments of Dynamic Earth (during lunch break)

We will be performing trail maintenance and building new sections of trail. There will be varying levels of work from moderate to mildly strenuous. Activities may include moving brush, rocks, shoveling dirt, hoeing and leveling, etc. There should be something for everyone.

All tools will be provided. No power tools will be needed. All participants are encouraged to dress appropriately, wearing long pants, leather boots, eye protection, hats, gloves etc. We will be working in undeveloped forested areas so bug repellent is encouraged. It is possible to be exposed to ticks and poison ivy. All participants will be required to sign a participation release of liability waiver.

Please register by May 15th.
